DCP-200

PLOT SIZE: 1 3150m²

2 1950m²

TOTAL BUILD ALLOWANCE: 220m²

DESCRIPTION:

- Level part of plot for building
- Part fenced and walled
- Good access from road
- Agricultural water supply
- Electricity nearby
- A great variety of trees and plants
- Drops down to a ravine preventing building in front.

SUMMARY:

This extensive double plot is situated in the heart of Gavalohori with breathtaking Sea and Mountain views.

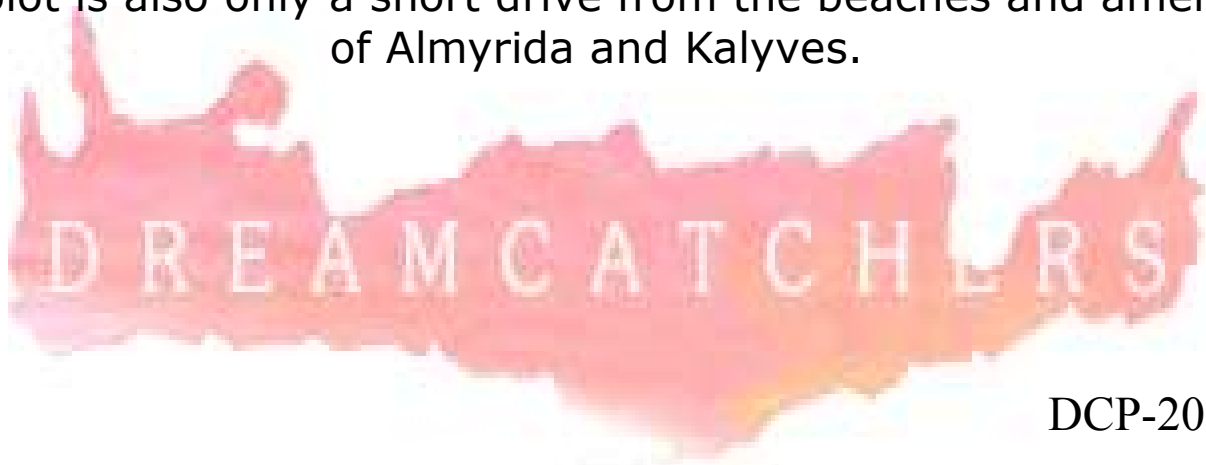

With easy access from the main country road, this level plot is walled with a ravine dropping away from the front right hand side.

The plot could accommodate 1 or 2 spacious homes in total privacy and seclusion with plenty of room for pool, parking and gardens

The adjacent plots have full time residents with permanent electric and water supplies.

Situated near a popular traditional village with shops, tavernas and cafes open all year round.

The plot is also only a short drive from the beaches and amenities of Almyrida and Kalyves.
