## **SUMMARY:**

These beautifully finished 1 bedroom apartments completed in 2006 are set in a prime location just above the village of Gavalohori. Only minutes away from the village tavernas, shops and cafes. The very well landscaped gardens and large swimming pool area offer both privacy and great views across to the White Mountains.

The apartment is well laid out with a spacious open plan kitchen, living and dining area. There is a good sized double bedroom with terrace and fitted wardrobes and an attractively tiled bathroom with a glass shower enclosure.

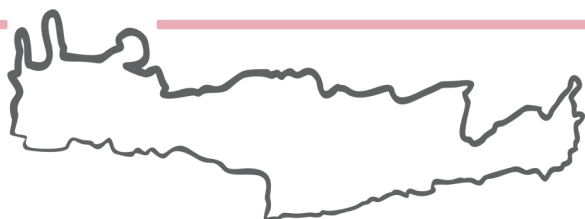

Each apartment has its own patio doors leading from the living space to the private, covered terrace area. This is a perfect spot for dining or just to sit, relax and soak up the tranquillity and beautiful surroundings.

The pool area—shared between 10 apartments—has been thoughtfully landscaped to include natural olive and cypress trees plus a variety of plants and herbs. Ample private parking is provided at the rear of the building and the external areas and pool are all well lit. The apartments and gardens have beautiful views of the White Mountain Range.

**Low shared maintenance costs make this an excellent, easy to maintain holiday home or perfect base for longer visits.**
