

TWO NEWLY BUILT VILLAS IN LITSARDA

On a beautiful piece of land in the village of Litsarda, there is a complex of four houses — with views to the local villages and countryside. Two of these 2 Bed villas — both with private pools— are now almost finished and so are now being offered for sale.

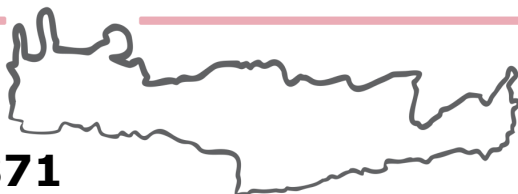

The village of Litsarda is quiet but not isolated - with a small mini-market, a coffee shop and a good taverna.

A few minutes drive away is Vamos— the main village in the Apokoronas area — with all its amenities. The beaches of Kalyves and Almyrida are reached via an approximate 10 minutes' drive.

€250,000 EACH
