SUMMARY:

Completed in 2004 and sat in an elevated location in the village of Kokkino Horio - with wonderful sea views — this apartment makes a first class holiday location, or a permanent home.

From the off road parking area, pathways lead through the immaculate gardens to this ground floor apartment —with private covered terraces and seating areas.

The main door leads inside to a very spacious open plan living and dining area with wood burning fireplace. The fully fitted kitchen and dining area has doors leading out to the large covered front terrace. This is the perfect spot for 'al fresco' dining whilst enjoying the lovely views.

The property has two good sized double bedrooms — both with private patios. There is also a family bathroom with bath and shower.

The outside of the property enjoys beautifully kept, shared gardens with an irrigation system, many mature trees, plants and flowers and a large swimming pool with terraces. There is also a BBQ area shared between the 4 apartments.

The property is situated near the village of Kokkino Horio which has tavernas and a very well stocked mini-market. It is just a short drive to the popular village of Plaka with more shops, lively cafes and tavernas.

From this location, in a few minutes you are on the beach at the resort of Almyrida with its safe, sandy beach and a wide choice of cafes and tavernas. A little further is the small coastal town of Kalyves - with many amenities, shops and a long golden beach.
