POOL SIZE: 40 M²

SUMMARY:

Completed in 2004 and owned for the last 10 years by the current owners, this villa is extremely well laid out - with spacious interiors and surrounding gardens which offer plenty of room for outdoor living and dining.

The property has its own electric gates and driveway parking and has terraces and pretty seating areas all around. The low maintenance gardens have a variety of fruit trees and mature plants.

A separate path leads to the good sized pool—shared between only 3 villas—which has plenty of terraces around for enjoying the sun.

The interior has a large open plan living, dining and kitchen area with a corner fireplace and patio doors leading out to terraces and the outdoor covered dining area.

There are two good sized double bedrooms - with private terraces and two bathrooms. Both have showers and one also has a 'half bath'.

The yearly maintenance and pool costs are low. The price includes all furniture, fixtures and fittings - making this property ready to walk into and enjoy.
