

STUNNING RENOVATION IN PROVARMA

This stunning 200 year old renovation was lovingly restored 5 years ago by the current owner.

It retains many beautiful Cretan original features such as wood beamed ceilings and stone floors - all blending in perfectly with the Moroccan inspired decor throughout.

The property has fantastic views across the countryside to Souda Bay and the White Mountains.

With a spacious main house and two self-contained guest studios, the property is now run as both a full time home and a successful rental business.

Priced at €520,000

MAIN HOUSE: 217 M²
GUEST STUDIO: 50 M²
PLOT SIZE: 350 M²

SUMMARY:

On the upper floor, which can be accessed from both the main courtyard and the master terrace, is the first guest studio. This has two large, covered terraced areas — with lots of space for outdoor seating and dining.

The studio has a spacious open plan fitted kitchen with appliances, living area and sleeping area — with vast white vaulted ceilings and a fireplace.

Steps lead from the main courtyard to the second self-contained studio. Again, this has its own courtyard, terraces, cozy seating areas and a BBQ . It is very private - with its own gate and an entrance from the village lane.

The studio has a living area with wood burning stove, a good sized fitted kitchen with appliances, a double bedroom in a pretty alcove and a shower room with an attractive mosaic-tiled shower. There is additional storage here also.

The property sits in a traditional Cretan village. It is just ten minutes drive from the busy beach resort of Kalyves and the main highway - and is just a few minutes drive from Stylos village.
