SUMMARY:

This property is in a fantastic location in the heart of the village of Plaka. Just a short stroll from all the shops and tavernas, this lovely house would make a great holiday location or full time home.

The property is a good size and in reasonable condition, occupied by the owners elderly family until last year.

The large joint plots contain many olive trees and mature plants and flowers.

There is lots of room for a private pool if required. The 2 houses are connected by an entrance archway which leads into a spacious courtyard.

Both houses provide the opportunity for easy renovation to a holiday or full time villa. The separate layout works well for a family or plenty of friends and guests!

Villa 1 currently has bedrooms, living space and kitchen area, whilst Villa 2 has an indoor bathroom and 2 good sized connected rooms.

The villa is situated on a quiet lane in Plaka with plenty of room for on-street parking outside.
